Allard Elementary Raises Nearly \$1,000 for Haiti Relief

Allard Student Council members spearheaded a donation drive for Haiti earthquake relief efforts.

Allard Elementary School recently raised \$950 during a donation drive sponsored by the building's Student Council for the American Red Cross to support earthquake relief and development efforts in Haiti.

The amount raised more than doubled the school's \$400 goal and first-grade students in Karen Lewis' class collected the most funds. In addition to classroom donations, Allard families and visitors also donated funds during the building's Science and Math Olympics Open House in February.
