Brooks Students Welcome Special Friend

Brooks Elementary School students read an autumn story to Zeke, a special therapy dog, during a special visit from the German shepherd and his trainer on Oct. 16.

Zeke is part of the Paws for Reading program, which allows students to build self-confidence by reading aloud. The dog was trained by Flanders, N.J.-based Therapy Dogs International, which is a volunteer organization dedicated to regulating, testing and registration of therapy dogs and their volunteer handlers for the purpose of visiting schools, nursing homes, hospitals and other institutions where therapy dogs can lend a helping paw.
