

Celebrate Music in Our School Month

March 2010

March is national “Music in Our Schools” month and the Music Educators National Conference promotes this event across our country. One way that Bon Meade’s music program recognizes the importance of music in our core curriculum for ALL students is to have “Recital Day.”

During the week of March 22 – 26, Fourth and Fifth grade students that are studying an instrument with a teacher have the opportunity to perform during music class as part of a class recital.

The following schedule will apply:

March 22 – Day 2
Mrs. McConnell

March 23 - Day 3
Miss Aloï
Miss Davies
Mr. Espey

March 24 – Day 4
Mr. Griffey

March 25 – Day 5
Mr. Barthelemy

March 26 – Day 1
Mrs. Marquis
Mrs. Covington

Permission form due by March 19

Students can perform solo or with a classmate. Song material may include something from the lesson book or a solo piece they are working on with their instrumental teacher.
