MAHS Students Lauded For Pride in Academics

A total of 16 Moon Area High School students were recognized for dedication to their educational endeavors on April 16 in the high school auditorium during the Pride in Academics award ceremony.

Jamie Allison, Jessica Barravecchio, Landin Beer, Jamie Denniston, Kevin Hanyo, Hali Ivory, Zachary McMonigal, John Quattrocchi, Jessica Rajm, Amanda Renshaw, Kelsey Smith, Zachary Tamilia, Madison Taylor, Brooke Trimbath, Jordan Tyra and Amy Young were chosen to receive the special recognition.

The award ceremony was resurrected last year after many years of inactivity by high school assistant principal Susan Kazmierczak and strives to showcase students, who were chosen via written recommendations their teachers.

Students involved were selected for their dependability and responsibility with assignments, constant work ethic, active classroom participation, preparedness and positive attitude in class work ranging from business and English to physical education.
