### MAMS Artists Create Magnets to Benefit Haiti

Moon Area Middle Schools students raised \$1,070 from handmade Haiti Houses this spring. The funds will benefit earthquake relief efforts in Haiti through the non-profit organization [CHF International](http://www.chfinternational.org). The home-shaped magnets were original artwork by Moon Area students.

Haiti Houses encourages people to create homemade pins and magnets and donate funds to one of eight approved charities included on their Web site at [www.haitihouses.org](http://www.haitihouses.org). The charities include UNICEF, Doctors Without Borders, Food For The Poor, American Red Cross and more.
