Hyde Fifth-Graders Design African-American Biography Posters

Brianna Andres – Condoleezza Rice, Angela Nguyen - Colin Powell, Mackenzie Olander - Bill Cosby and Alexandra Chester - Fredrick Jones display their posters detailing noted African-Americans.

Hyde Elementary fifth-graders recently created biography posters detailing the lives of famous African-Americans in Nathan Baumgardner's social studies classes.

Students chose from a list of noted figures including Condoleezza Rice, Colin Powell and Bill Cosby, researched and drafted a large wall hanging complete with drawings of their highlighted person. The posters are currently displayed on the school's main hallway on the way to the library.
