### **Hyde and Allard Artwork Available Online for Personalized Gifts**

Unique gifts for any occasion can be found at [www.artsonia.com](http://www.artsonia.com) and those gifts even can showcase Moon Area students' artwork.

Teacher Kristin Hartman posts photos of completed projects by her Allard and Hyde Elementary students on the student art site for public viewing.

This week, artwork from both the schools has been featured on the online museum's main site advertising unique gifts that can be made using a child's exclusive art.

Artwork by fourth-grade students Chiara Jeanfils from Allard and Alyssa Shorak was highlighted on the site. Their pieces were chosen from nearly four million pieces of children's art work that is available to view on the Web site.

Moon Area projects uploaded on the site include "Pop Up Haunted Houses," "Kadinsky Circles" and "Roy Lichtenstein Portraits." Check the site often for more Moon Area art.
