Dear Members of the Community,

The District and the Moon Education Association are currently involved in ongoing teachers' contract negotiations. Given today's economic realities, the Board of Education and the Administration are working diligently to come to a fair settlement, and remain dedicated to the quality education of our students and the well-being of the community. In the event of a notice of a work stoppage, the members of the community will be informed immediately. Thank you for your continued support.

Sincerely yours,

Moon Area School District Board of Education
