Eighth-Grader Wins MAMS Geography Bee

MAMS eighth-grader Zach Wolf won the Moon Area Middle School's 2010 Geography Bee on Jan. 19.

Zach topped four other competitors in route to his first-place finish and completed a written test for a chance to compete in the state-level National Geographic Bee with 99 other top test scorers.

To qualify for the school-level competition, every middle school student took a written test and only 20 students out of 872 in the middle school returned high enough results to be considered a finalists.

Eighth-grader Jordan Coyne finished second and eighth-graders Miles Schmidt and Abbee Walker secured third and fourth-place finishes. Eighth-grader Ryan Biggins rounded out the top five finalists in the competition.
