During the September 12, 2011, Board of Education meeting, the Moon Area School District (MASD) Board of Education and administration recognized the Moon Township Police Department for their dedication and service to the district.

Superintendent Dr. Donna K. Milanovich spoke and presented plaques to Chief Leo P. McCarthy and Captain Gregory M. Seaman.

The Moon Township Police Department has served as a vital part of MASD's efforts to create a safe learning environment for students and staff. At the meeting, Dr. Milanovich thanked the officers for this contribution and, on behalf of the district and the Board of Education, extended her gratitude for their constant support. Dr. Milanovich

says, "Every time I've called on the Moon Township police, they respond immediately and do all that they can to help us resolve any issue."

In addition to the two plaques, all police officers present at the meeting received certificates in honor of their work. The Moon Township Police Department consists of 30 full-time officers whose services have helped not only MASD, but also the entire Moon Township community.
