MASD Celebrates Red Ribbon Week

Hyde Elementary second-grade students in Barb Sale's class put the sack to drugs.

Moon Area School District elementary students learned to “Say No to Drugs” from Oct. 26 to 30 during Red Ribbon Week.

At Hyde Elementary School, students participated in themed days and a schoolwide sack race and fifth-grader students created drug free posters during a special contest.

At Allard Elementary School, students also took part in special activities throughout the week including a schoolwide Drug Free Walk through Wessex Hills housing plan.

Red Ribbon Week is an campaign observed by an estimated 80 million Americans during the last week of October throughout the United States. Started in 1985, the event raises awareness regarding the need for alcohol, tobacco and drug prevention.
