

Use of Student Photos, Video and other Multimedia Opt Out

One of our goals at Moon Area School District is to share positive news with our community. As part of this effort, MASD students may be photographed or video recorded when they have an outstanding accomplishment. In addition, students may be photographed or video recorded as they participate in school related activities throughout the year. The photos and videos may be published on the school district's website, social media platforms and newsletters. They may also be used by the media.

If you do **NOT** give permission for your student to be photographed or video recorded, you must complete and return the form below to your child's principal. The form will be active from the time it is signed and returned through the remainder of the school year.

Opt Out Form

Parents may opt their child out of being featured by the school district, in the media or both. If you would like to opt your child out, please check the appropriate boxes below and return this form to your child's principal. The form will be active from the time it is received through the remainder the school year.

Note: If you give permission for your child to be featured, you do NOT need to do anything with this form. Your child will be automatically opted in, unless otherwise noted on this form.
