SUMMARIZATION OF DRUG AND ALCOHOL ADMINISTRATIVE GUIDELINES

SITUATIONAL CATEGORY 1	IMMEDIATE ACTION 2	NOTIFICATION OF PARENTS/ GUARDIANS 3	INVESTIGATION 4	NOTIFICATION OF POLICE 5	DISPOSITION OF SUBSTANCE 6	DISCIPLINE/ REHABILITATION 7
1. A student is found in possession of prescribed/ non-prescribed, over-the-counter medication that has not been registered with the school nurse.	The teacher, staff member and/or designee will take possession of the medication and escort the student to the building administrator's office. An anecdotal record of the incident will be written and submitted to the building administrator.	The parent(s)/guardian(s) will be contacted and the situation described. At this time the parent/guardian will be informed of the district policy which requires all students to turn medication in to the nurse's office. A copy of the medication policy will be sent home.	An administrator will investigate the incident. This may include a search of the student, his/her locker, car and other possessions.	Notification of the police will be at the discretion of the building administrator.	The substance may be reclaimed by parents/guardians.	Parents/Guardians are contacted and a conference is held. Disciplinary actions are set by the administration and disciplinary policy will be followed as necessary. Policy is reviewed with the student. A referral to the appropriate Student Assistance Team is made.
2. A student is suspected of or found distributing nonprescription medication.	The teacher, staff member and/or designee will take possession of the medication and escort the student to the building administrator's office. An anecdotal record of the incident will be written and submitted to the building administrator.	Parent(s)/Guardian(s) will be notified and shall meet with the administrator and student to discuss incident.	A building administrator will investigate the degree to which there were any policy violations which may include a search of the student, his/her locker, car and other possessions.	Notification of the police will be at the discretion of the building administrator.	A building administrator shall determine whether the medication shall be destroyed or returned to the parent(s)/guardian(s). If the police are notified, the substance will be turned over to them.	Parents/Guardians are contacted and a conference is held. A building administrator shall record the incident as a disciplinary infraction and based on the determined intent of the behavior apply consequences outlined in the school discipline code. A referral to the appropriate Student Assistance Team is made.
3. The possible use of drugs, alcohol or mood-altering substances as observed by behavior or performance indicators, but there is no evidence of violation of policy or school disciplinary code.	Student informed of available help and encouraged to seek assistance. An anecdotal record of the incident will be written and submitted to the building administrator.	Parent(s)/Guardian(s) will be notified of observed behavior. A copy of this policy will be sent home.	A building administrator will investigate the incident. This may include a search of the student, his/her locker, car, and other possessions, as appropriate.	Notification of the police will be at the discretion of the building administrator.	Not applicable.	A conference will be held if indicated by the data. A building administrator shall record the incident as a disciplinary infraction where warranted. Policy is reviewed with the student. A referral to the appropriate Student Assistance Team is made.

NOTE 1: Alcohol Assessment is at parent/guardian expense.

NOTE 2: All school district administrators, staff members, and members of the Moon Area Board of School Directors involved in any of the above circumstances are obligated to guard the confidentiality of each student and his/her family. Any violation of this policy which occurs while traveling to or from school or during that student's school day off of school property will be subject to the appropriate Situational Category consequences.
