Sewickley Valley YMCA holding Youth Summer Adventure Day Camp

The Sewickley Valley YMCA will make changes to summer camp to be held this summer.

SEWICKLEY, PA – Beginning on June 8, the Sewickley YMCA will hold Youth Adventure Day camp. Camp will be a condensed version of previous years while following all CDC and state guideline safety protocols. Although camp will be different, what remains the same will be the opportunity for kids to enjoy a positive summer full of adventures, singing, games, hiking, crafts and making new friends

In addition to the revised camps, the YMCA has installed multiple new hand washing stations around the building as well as more hand sanitizer for children's safety. Through the many changes, the main goal is to bring normalcy and fun to the campers attending.

"Summer day camp will provide the opportunity for children to regain a sense of normalcy as well as support their physical, social and emotional well-being after being at home for a long period of time," said Marc Smith, Senior Director for Youth, Teen & Family. "While this summer will look a bit different this year, we are excited to slowly and surely get back to normal."

About the Y

The Y is one of the nation's leading nonprofits strengthening communities through youth development, healthy living and social responsibility. Across the U.S., 2,700 Ys engage 21 million men, women and children – regardless of age, income or background – to nurture the potential of children and teens, improve the nation's health and well-being, and provide opportunities to give back and support neighbors. Anchored in more than 10,000 communities, the Y has the long-standing relationships and physical presence not just to promise, but to deliver, lasting personal and social change. ymca.net
