

MASD COMMUNICATIONS GUIDE

Website

www.moonarea.net has all of the information you need District-wide! Here, you can find news, calendar events, lunch menus, forms, handbooks, policies, and all essential MASD information.

Mobile App

An abbreviated version of our website is available for iOS and Android systems in your device's app store. Simply search "Moon Area School District" to have key MASD information at your fingertips. Be sure to allow for push notifications to be alerted of major MASD news.

Skyward Message Center

On Skyward, our student and parent portal, you will find the Skyward Message Center dialogue window after you log in. This is where you will find communications from your student's building and from District administration.

Skylert - Calls & Emails

Skylert, our mass communications system, helps us contact families via phone/email for inclement weather notices, District announcements, student absences, bus delays, emergencies, etc. Please be sure to update your contact information in Skyward so that we have the best information to reach you during these critical times.

E-Newsletter

Sign up to receive our weekly e-newsletter by scrolling to the bottom of www.moonarea.net and clicking on "e-news!"

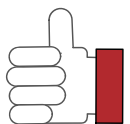

Digital Calendar

We offer our families a completely digital way to keep up-to-date with MASD events. Find all of our testing dates, building/District events, days off, etc. on our District calendar on the app and online. You can also sync the MASD online calendar with your desktop calendar so everything is in one place! Share important dates with friends and family through the mobile app!

Inclement Weather

Families will receive a call and email through Skylert for inclement weather; however, we also post closings/delays on KDKA, WPXI, and WTAE.

Social Media

Follow us on Facebook, Instagram, and Twitter! We also live-tweet during board meetings for real-time updates.
